# Table of Contents

## Inside Our Factory

### From concept to completion under one roof

Established in 2009 in Amman, Jordan, National Factory brings over a decade of experience in paper and board packaging for regional and international markets.

Serving clients across Jordan, Saudi Arabia, UAE, and the wider MENA region.

Retail • F&B • Hospitality • Medical • Cosmetics • Corporate Gifting

### National Factory Export Network

Supplying Jordan-made  
packaging to key markets  
worldwide

# Award-Winning Excellence

Proudly showcasing Jordanian industry worldwide.

Our commitment to innovation and quality has earned National Factory distinguished recognition at both national and international levels.

## Top 100 Factories in Jordan 2024

Recognized among the Kingdom's leading manufacturers, presented on behalf of His Majesty King Abdullah II.

## WorldStar Global Packaging Awards 2024

Global winner for Pyramid Sweet Box, representing Jordanian innovation on the world stage.

## ISO 9001:2015 Certified by SGS Switzerland

Certified for quality management in the production of paper bags, boxes, and wrapping materials.

## Arab StarPack Pro 2023

Winner in the Creative Packaging category for the innovative Pyramid Sweet Box design.

# Printing & Finishing Options

Precision and craft at every step

Our in-house printing and finishing lines ensure every project meets brand and quality standards, from subtle logo treatments to full-surface art.

Lamination · Foil Stamping · UV & Spot UV · Emboss / Deboss · Aqueous & Varnish  
Special finishes create distinction, because packaging deserves the same attention as the product inside.

## Flexo

Efficient for kraft and high-volume runs.

## Offset

High-definition colour and sharp detail.

## Post-print

Post-print finishing that elevates every box.

# Materials & Sustainability

## Responsible materials, refined outcomes

We balance creativity with environmental responsibility, offering recyclable and biodegradable materials without compromising durability or aesthetics.

Kraft · Artboard · Duplex · Ivory · Specialty Boards

Sustainable packaging that looks as good as it performs.

# Customization & Add-ons

## Built around your brand

### Structural Options

---

Standard or custom dimensions • Reinforced bases • Inserts & windows

### Handle & Closure Variants

---

Rope • Ribbon • Twisted • Die-Cut • Magnetic or Lift-off lids

### Enhancements

---

Foil • Multi-UV • Food-safe linings • Custom cutouts

Every project is tailored to your specifications, from shape and structure to every visual and tactile detail.

Sampling, prototyping, and consultation ensure the perfect result before production.

# Our Product Range

Engineered for performance, styled for brands

From boutique retail to quick-service dining, every product line is designed to meet specific functional and brand needs. Our packaging families combine structure, finish, and usability, offering solutions that protect, present, and perform.

Each category reflects the same dedication to quality, flexibility, and precision that defines National Factory. Choose from our core families or collaborate with us to develop custom packaging tailored to your brand's vision.
